Saunas making you better

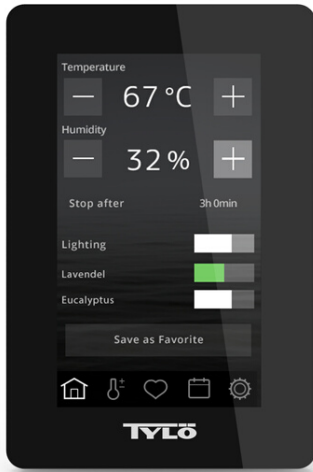

SOFT SAUNA

THE CREME DE LA CREME OF SAUNAS

If you like having the best of both sauna and steam, consider installing a soft sauna in your home. Soft sauna offers you and your families milder heat and higher humidity than traditional sauna for longer enjoyment.

Viking Sauna and Steam are the exclusive distributor of Tylö and Helo sauna and steam equipment in NSW and ACT

TYLO SENSE COMBI- HEATER

THE SOFT SAUNA HEATER

Tylö Sense Combi is one of Tylö's most versatile heaters and one that perfects the sauna experience for the whole family without losing the possibility for an individually tuned soft sauna experience.
